

## Quinta n.1 – vase

### Dimensions:

L 19.5cm D 20cm H 32cm

### Materials:

Metal

### Available Colors:

Micaceous gray, Rust e Dove gray

### Made in:

Italy

### Product Description:

The vase Quinta no.1 from the 'Scenografie' collection represents a series of perspective arches that converge in a single vanishing point. The Renaissance architecture blends with the Gothic one and harmoniously marks the depth that welcomes the succulent plant.

This handmade painted metal piece can be displayed integrated with a succulent plant of your choice to decorate either an indoor or outdoor environment as if it were a real sculpture.
