

Quinta n.2 – vase

Dimensions:

L 23.5cm D 23.5cm H 20cm

Materials:

Metal

Available Colors:

Micaceous gray, Rust e Dove gray

Made in:

Italy

Product Description:

The vase *Quinta no.2* from the 'Scenografie' collection recalls the harmony of Renaissance architecture and the portals with round arches overlap on two parallel levels, combining a frontal view with a perspective.

This succulent plant pot is handcrafted in painted metal and the different levels are joined together by invisible welds. It can be displayed alone or together with other elements of the same collection both indoors and outdoors.
