

## Quinta n.3 – vase

### Dimensions:

L 10cm D 18cm H 30.5cm

### Material:

Metal

### Available Colors:

Micaceous gray, Rust e Dove gray

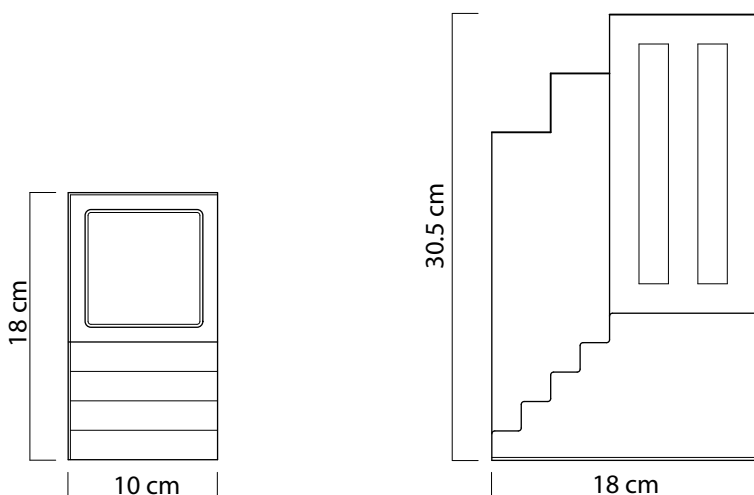

### Made in:

Italy

### Product Description:

The majestic staircase that characterizes the vase *Quinta no.3* of the 'Scenografie' collection evokes a metaphysical temple built around a sculpture which, in this case, is a succulent plant. Abstract architecture raises the organic element and at the same time constitutes a backdrop that enhances its shape.

This pot for succulent plants is handmade in painted metal and it is a decorative element suitable to be placed both indoors and outdoors.
